Dear King Members, Friends, and Family:

As we move through the winter months, we must remain as vigilant as ever and work together to stop the spread of COVID-19. We must continue to do our part to protect our communities by avoiding nonessential trips, maintaining six feet of distance from others when we must go out and wearing a mask, and using good handwashing technique. Thank you for helping us keep our members safe.

Over the weekend at King, zero members and two employees tested positive for COVID-19, and three members and nine staff recovered. Currently there are 13 active positive cases of COVID-19 on campus (5 residents, 8 employees).

Beginning in January 2021, we will be moving to email and text notifications, instead of mailed paper letters, as our primary way of sharing these updates. If you haven't yet added yourself to our email and phone mailing list, please do so now at [www.WisVetsEmail.com](http://www.WisVetsEmail.com). If you would like to continue to receive printed and mailed letters, please contact Barb Anderson at (715) 256-5022.

Sincerely,

A handwritten signature in black ink that reads 'T. Servatius'.

Tammy Servatius, Commandant
